A screenshot of a registration summary and payment screen. At the top left, it says 'LB Longton' and 'Behind-the-Wheel (July, 2020)'. Below that is 'BREMEN - 10 - Noon (Session C - Car #1)'. To the right of this item are two 'Remove' buttons; the first is for '\$0.00' and the second is for '\$175.00'. Below these items is a red box with 'TOTAL DUE:' on the left and '\$175.00' on the right. Below the red box, it says 'Bremen Township 228 District Activities has set up this activity to require payment on registration. Please finish registering by completing the payment form below.' and 'Your registration will be marked as pending and will not be visible to Bremen Township 228 District'. To the right of the red box is a sidebar with 'Registration Total \$175', 'Add Another Registration', 'Alternate Payment (CODE)', and 'Cancel Registration'. Three arrows point to specific elements: a red arrow points to the 'TOTAL DUE:' text, a blue arrow points to the '\$175.00' price, and a green arrow points to the 'Add Another Registration' button. At the bottom, there is a blue box with a registration form and a white box with logos for DISCOVER, MasterCard, VISA, and American Express.
